

# 2025 YEAR 9 STATIONERY LIST

Most books and materials are supplied to students as part of the school's Student Resource Scheme. The school operates the scheme and parents/carers pay \$120 per student per year as a course contribution to the cost of purchase of these books and materials. The scheme is voluntary, those parents/carers who do not wish to participate will need to purchase their own texts and materials and should contact the school for full details. **Only those students in the Student Resource Scheme receive books and materials from the school.** This outlines the stationery and equipment requirements, other than textbooks for students to begin the school year.

## General Requirements

These items are required daily and must be replaced across the year to ensure students are adequately prepared for their classes.
