

2025 YEAR 10 STATIONERY LIST

Most books and materials are supplied to students as part of the school's Student Resource Scheme. The school operates the scheme and parents/carers pay \$120 per student per year as a course contribution to the cost of purchase of these books and materials. The scheme is voluntary, those parents/carers who do not wish to participate will need to purchase their own texts and materials and should contact the school for full details. **Only those students in the Student Resource Scheme receive books and materials from the school.** This outlines the stationery and equipment requirements, other than textbooks for students to begin the school year.

General Requirements

These items are required daily and must be replaced across the year to ensure students are adequately prepared for their classes.
