

STATIONERY AND STUDENT RESOURCE SCHEME – 2025

Most books and materials are supplied to students as part of the school's Student Resource Scheme. The school operates the scheme and parents/carers pay \$120 per student per year as a course contribution to the cost of purchase of these books and materials. The scheme is voluntary, those parents/carers who do not wish to participate will need to purchase their own texts and materials and should contact the school for full details. **Only those students in the Student Resource Scheme receive books and materials from the school.**

Students who are part of the scheme receive:

- | | |
|---|----------|
| • Isis District High Homework Planner | \$ 20.00 |
| • Subsidy for photocopying (worksheets, class work books, teacher prepared materials) | \$ 25.00 |
| • Subject resources (see resources listed for each subject) | \$ 20.00 |
| • Curriculum textbooks (hardcopy or electronic form textbooks and novels) | \$ 55.00 |

All books and equipment supplied to students remain the property of the school.

Students **must** supply their own stationery and are responsible for replacing any lost or damaged textbooks or school materials supplied under the scheme.

To interpret the following list, please note:

- All subjects are studied the whole year.
- The 'Essential Stationery' list below and the other materials listed as 'Provided by Family' are to be purchased by **all families**.
- If you are intending to join the Student Resource Scheme, the texts/materials which are listed as 'Provided by Student Resource Scheme' are for your information only. **If you do not intend on joining the Student Resource Scheme, you will need to supply those items.**
- Multi subject books are not appropriate for subjects that detail an exercise book is required. Please ensure that there is a separate book for each subject.

Essential Stationery:

Required every day and must be replaced across the year to ensure students are adequately prepared for their classes.

- | | | |
|------------------|--------------------------------------|----------------------------|
| • 2 x blue pens | • 1 x eraser | • 3 x highlighters |
| • 2 x black pens | • 1 x 30cm ruler (not metal) | • 1 x pencil sharpener |
| • 2 x red pens | • 1 x pair of scissors | • Coloured pencils |
| • 2 x 2B pencils | • 1 x glue stick | • 4 GB USB |
| • 2 x HB pencils | • 1 x whiteboard pen | • 1 mini whiteboard eraser |

BYO Laptop Participants:

Laptop students are **required to have minimum stationery** with them each day as well as a **writing notebook**, eg a lecture style notebook so they have access to lined paper should it be required. Whilst some subjects will not utilise the laptop each lesson, students should bring their laptop each day to school as it is expected that notetaking and general activities will be occurring on laptops rather than being hand written for laptop program participants. It will be teacher's discretion on the equipment used each lesson, they can direct students to close their laptop and or monitor students' laptops to ensure engagement in the class.
